

MOUR Media Release Form

1. THE PLATFORM AND OUR ROLE (Unchanged — still strong)

2. INDEPENDENT CONTRACTOR STATUS (Tightened) Every Eye is and shall remain an independent contractor of the Requester. Eyes are independent business owners who provide services under their own name or business. MOUR is solely a technology platform that facilitates connections. Eyes are not employees, agents, joint venturers, or partners of MOUR or any Requester. Eyes are solely responsible for their own taxes, insurance, licenses, equipment, and compliance.

3. ASSUMPTION OF RISK AND RELEASE (Made more enforceable) You use the Platform at your own risk. To the fullest extent permitted by law, you release MOUR Parties from liability arising from:

- User conduct or interactions
- Quality, legality, or consent status of media
- P2P transmissions
- Any failure to obtain releases or permits

This release applies to ordinary negligence but does not apply to gross negligence or willful misconduct where prohibited by law.

4. LIMITATION OF LIABILITY (Capped — much more enforceable) MOUR's total liability to you shall not exceed the greater of (a) \$100 or (b) the total fees you paid to MOUR in the twelve months preceding the claim. This cap applies to all claims.

5. DISPUTE RESOLUTION – BINDING ARBITRATION (New – Nationwide Strength) Any dispute arising out of or relating to these Terms shall be resolved by binding individual arbitration administered by the American Arbitration Association under its Consumer Arbitration Rules. The arbitration will take place in Delaware (or another mutually agreed location).

You and MOUR agree to arbitrate on an individual basis only. You waive any right to participate in a class action, collective action, or representative proceeding.

This arbitration agreement is governed by the Federal Arbitration Act and is intended to be enforceable nationwide.

6. GOVERNING LAW These Terms are governed by the laws of the State of Delaware, without regard to conflict of laws principles.

7. INSURANCE Eyes must maintain their own liability insurance.
